UC Hastings makes reasonable accommodations for qualified students with known disabilities. Please contact Lisa Noshay Petro, Director of UC Hastings Disability Resource Program with any questions about the program or accommodations.

All current Hastings students are automatically enrolled in UC SHIP, and billed for the premium. **Student Health Insurance is included in your tuition fees**. The insurance premiums for the 2015-2016 academic year are $1,849 for the Fall and $2,588 for the Spring/Summer. If you already have health insurance that will continue through 2015-2016, and you don't want UC SHIP coverage, you may apply for the waiver online. Please note that UC Hastings follows the same waiver criteria as all other UC campuses, The University of California has changed the waiver criteria for the 2015-2016 academic year. **The deadline for Fall 2015 waivers is September 9, at 11:59pm.**

Go to **the** UCSHIP website **to learn more about 2015-2016 coverage.** Members can now download insurance cards directly to their phones by using a newly developed app.

Disability Resource Program Announcements!

Do you have a documented disability and need accommodations? Are you receiving treatment for or in the process of getting diagnosed with a possible disability, whether that disability is visible or non-apparent (sometimes called "hidden" or "invisible" disabilities?) DON'T WAIT TO CONTACT DRP TO REQUEST ACCOMMODATIONS! By law and to ensure the integrity of the program, registering with DRP to determine eligibility and accommodations must be an interactive, deliberative and collaborative process. At a minimum, this includes (1) providing sufficient, relevant documentation for review, and (2) meeting with the Director for a comprehensive eligibility and access planning meeting (a.k.a., an intake meeting.) It is not meant to be an onerous process, but **IT TAKES TIME**. Therefore, students are urged to **contact DRP at DRP@uchastings.edu or 415-581-8948** at the very beginning of the semester to initiate this process and for timely consideration of classroom-based accommodations. Students are advised to schedule an intake appointment **to occur no later than FRIDAY, OCTOBER 2, 2015**. Accommodations are not granted retroactively, so earlier is better! The deadline for **completing** your registration with DRP to consider accommodations for final exams is **WEDNESDAY, NOVEMBER 4, 2015. However, if you haven't begun the process well in advance of that date, you may be too late to receive accommodations for final exams**. Please refer to our website for more information about registering with DRP.

Are you concerned that you might have a disability, but do not have current or sufficient documentation?

If you have UC SHIP, your first step is to contact Student Health Services (SHS) for an evaluation and possible recommendation for further assessment. We recommend that you also contact DRP to schedule a consultation simultaneously. If you do not have UC SHIP, please contact DRP at DRP@uchastings.edu or 415-581-8948 to schedule a consultation.
