UC Hastings Client Counseling Competition Team Tryouts

Wednesday November 18, 2015 1:00 p.m. – 6:00 p.m. – Rm B1 (1st floor, 198 Building)

Client Counseling Competition/Hastings Client Counseling Team

UC Hastings has an award winning Client Counseling Team that competes each year in the ABA Law Student Division Client Counseling Competition. Students learn to interview and counsel clients, learn an area of substantive law, and compete against other law students from across the country.

The ABA Law Student Division Client Counseling Competition simulates a law office consultation in which law students, acting as attorneys, are presented with a client matter. They conduct an interview with a person playing the role of the client and then explain how they would proceed further in the hypothetical situation.

A team consists of two JD candidates attending the same ABA- approved law school who conduct an interview with a person playing the role of the client. This includes eliciting facts, advising about the relevant law, providing options for proceeding, and assisting the client to make an informed choice.

The regional competition consists of three qualifying rounds with each team competing indirectly against two other teams in each round. The teams are presented with a different client matter in each round. After the qualifying rounds, the top six teams advance to the semifinal round, culminating with the three winning teams in a final round.

The first place team from each regional competition will advance to the National Finals. Teams can be made up of any combination of 2L's and 3L's.

If you have any questions, please contact Virginia Villegas at either (415)810-8195 or virginia@e-licenciados.com.

Second and third year students who have volunteered previously assist with document production (demand letters, answers, administrative complaints, etc.) under the direction of the attorneys. Training is provided the day of the event. HRPLJ Presents "Judging and Daring to be Fair" **Thursday, November 19th, 6pm-9pm, Skyroom**

A discussion with recently-retired Judge David Matthew Krashna who served as a judicial officer with the Alameda County courts for over 23 years. Judge Krashna will speak as to his life, serving as the first and still only Black student body president at the University of Notre Dame, growing up in the heyday of the Civil Rights movement, and the path that led him to a career in the judiciary - recounting potholes and scenic routes. Judge Krashna will also be promoting his new book, *Black Domers: Seventy Years at Notre Dame*, which chronicles the experiences of Black alumni and students at the University of Notre Dame.

Hastings and HRPLJ alum S. C. Thomas, '12, a graduate of the Capitol Fellows program and a mediator of civil rights disputes, will moderate the discussion and engage Judge Krashna in a dialogue on the benefits of a career in state government, navigating the state judiciary, and advise students on how to pursue entry level career opportunities in the public sector. The discussion will also focus on the importance of social justice lawyering and current efforts at increasing diversity in legal education, the bar and the bench.
