Take Steps NOW to Minimize Your Student Loan Payments Later!

It is time to file your 2015 tax returns. Even if you made very little (or no) money in 2015 and are not required to file a tax return, you should consider filing 2015 taxes, if you:

- Are borrowing Federal loans for law school, and
- Are planning on taking advantage of Income Driven Repayment (IDR)* plans (and the Federal Public Service Loan Forgiveness Program and our Public Interest Career Assistance Program – PICAP) to lower your monthly loan payments.

Having a 2015 Tax Return on file **could make applying for IDR much simpler for you.** (Also, if you are owed a tax withholding refund, you will need to file taxes to receive the refund!). Free tax assistance is available to students through the VITA Program (Feb. 8, 22, 29) (March 14, 21, 28) (April 4, 11) in the Louis B. Mayer Lounge 5:00-7:00 p.m. To learn more about how to file your Federal Taxes for FREE (and your income is less than \$62,000), click here: <https://www.irs.gov/uac/Free-File:-Do-Your-Federal-Taxes-for-Free>.

Contact the Financial Aid Office if you have any questions about IDR or Loan Forgiveness programs.

** IDR plans are federal student loan repayment plans that set a monthly payment based on your current income and family size. Payments under these plans are generally lower than payments under a Standard Repayment Plan. Your loan servicer will calculate your monthly payment amount each year based on information from your tax returns, if you have two on file, or alternative documents such as a combination of one tax return and a W-2, two W-2s or current paystubs.*

>> SCHOLARSHIP/FELLOWSHIP OPPORTUNITIES

Stephen Cone Fellowship

A \$2,500 fellowship is offered to a first-year student for a project to be completed during the summer of 2016 or the recipient's second year, 2016-2017. Project proposals must be the student's own design for a project related to the field of legal writing and research, with particular emphasis on either developing his or her own skills by doing research and legal writing on a volunteer basis for a community-oriented, not-for-profit organization, or by creating and executing special workshops to help students at Hastings further develop their research and writing skills. If you plan to work with a professor or an outside agency or an office, you should provide a letter of support from the person with whom you will be working with. Please submit **four (4) copies** of your proposal to the Academic Dean's Office **on or before Monday, April 11, 2016**. A faculty committee will select the recipient.

Keker & Van Nest Diversity Scholarship

Keker & Van Nest LLP is committed to increasing the diversity of the legal profession, particularly in its areas of practice - complex civil, intellectual property and white-collar criminal litigation. As part of that commitment, we are proud to offer the Keker & Van Nest Diversity Scholarships to support outstanding Bay Area law students who are from traditionally underrepresented groups and have demonstrated interest in one or more of these practice areas.

This year, Keker & Van Nest will award up to \$75,000 in scholarship grants to up to three qualified recipients. The exact amount and number of scholarships will depend on the number and quality of applicants.

Deadline: April 22nd, 2016

[Find out more information here!](#)

Summer 2016 Arc of Justice Fellowship Program

Public Advocates and the Charles Houston Bar Association (CHBA) are proud to announce a new summer 2016 fellowship opportunity for law students committed to advancing the legal and policy priorities of low-income African American communities in the Bay Area. The "Arc of Justice" is a collaboration between Public Advocates and CHBA to help increase the number of law students of color who pursue careers in public interest law. This first Arc fellow will spend the summer clerking at Public Advocates, with dedicated support from CHBA.

The fellow will leverage Public Advocates and CHBA's networks and professional development resources and will be exposed to public interest practitioners representing a wide variety of legal fields. In addition, the fellow will establish a meaningful connection with other summer law clerks and attorneys at other public interest legal organizations, minority bar associations, and private law firms or corporations.

The Arc of Justice Fellowship comes with a minimum \$3,000 stipend. In order to promote diversity in public interest law, it is our intention that this stipend supplement, rather than offset, other funding sources.

Applications are being accepted on a rolling basis, for more information, visit www.publicadvocates.org and www.charleshoustonbar.org.
