Green Tip of the Week!

Did you know that by forgoing the takeout and making something at home, you cut down on the processing, packaging, and means of transportation that it takes for that food to get to your plate? You can also buy locally grown produce for an even greener alternative!

DRP Deadlines

Do you have a documented disability and need accommodations? Are you receiving treatment for or in the process of getting diagnosed with a possible disability, whether that disability is visible or non-apparent (sometimes called “hidden” or “invisible” disabilities?) **DON'T WAIT TO CONTACT DRP TO REQUEST ACCOMMODATIONS!** By law and to ensure the integrity of the program, registering with the Disability Resource Program (DRP) to determine eligibility and accommodations must be an interactive, deliberative and collaborative process. At a minimum, this includes (1) providing sufficient, relevant documentation for review, and (2) meeting with the Director for a comprehensive eligibility and access planning meeting (a.k.a., an intake.) It is not meant to be an onerous process, but **IT TAKES TIME**. Therefore:

- Students are urged to contact DRP at disabilityresourceprogram@uchastings.edu or 415-581-8948 at the very beginning of the semester to initiate this process and for timely consideration of classroom-based accommodations. Students are advised to schedule an intake appointment by FRIDAY, FEBRUARY 10, 2017, in order to be considered “timely” for classroom-based accommodations.
- Accommodations are not granted retroactively, so earlier is better!
- The deadline for COMPLETING your registration with DRP to consider accommodations for final exams only is FRIDAY, MARCH 24, 2017. However, if you haven't begun the process well in advance of that date, you may be too late to receive accommodations for final exams. Please refer to our website for more information about registering with DRP.

Are you concerned that you might have a disability, but do not have current or sufficient documentation, or have never been tested?

If you have UC SHIP, your first step is to contact [Student Health Services](#) (SHS) for an evaluation and possible recommendation for further assessment. We recommend that you also contact DRP to schedule a consultation simultaneously. If you do not have UC SHIP, please contact DRP at disabilityresourceprogram@uchastings.edu or 415-581-8948 to schedule a consultation.
