Green Tip of the Week!

Did you know that in San Francisco, our delicious tap water comes from pristine snowmelt in Hetch Hetchy Reservoir in Yosemite National Park? Unlike bottled water, our tap water costs less than half a penny per gallon, is quality tested over 100,000 times a year, and goes straight to your tap. Get rid of that plastic and bring on the reusables!

DRP Deadlines

Do you have a documented disability and need accommodations? Are you receiving treatment for or in the process of getting diagnosed with a possible disability, whether that disability is visible or non-apparent (sometimes called “hidden” or “invisible” disabilities?) **DON'T WAIT TO CONTACT DRP TO REQUEST ACCOMMODATIONS!** By law and to ensure the integrity of the program, registering with the Disability Resource Program (DRP) to determine eligibility and accommodations must be an interactive, deliberative and collaborative process. At a minimum, this includes (1) providing sufficient, relevant documentation for review, and (2) meeting with the Director for a comprehensive eligibility and access planning meeting (a.k.a., an intake.) It is not meant to be an onerous process, but **IT TAKES TIME**. Therefore:

- Students are urged to contact DRP at disabilityresourceprogram@uchastings.edu or 415-581-8948 at the very beginning of the semester to initiate this process and for timely consideration of classroom-based accommodations. Students are advised to schedule an intake appointment by FRIDAY, FEBRUARY 10, 2017, in order to be considered “timely” for classroom-based accommodations.
- Accommodations are not granted retroactively, so earlier is better!
- The deadline for COMPLETING your registration with DRP to consider accommodations for final exams only is FRIDAY, MARCH 24, 2017. However, if you haven't begun the process well in advance of that date, you may be too late to receive accommodations for final exams. Please refer to our website for more information about registering with DRP.

Are you concerned that you might have a disability, but do not have current or sufficient documentation, or have never been tested?

If you have UC SHIP, your first step is to contact [Student Health Services](#) (SHS) for an evaluation and possible recommendation for further assessment. We recommend that you also contact DRP to schedule a consultation simultaneously. If you do not have UC SHIP, please contact DRP at disabilityresourceprogram@uchastings.edu or 415-581-8948 to schedule a consultation.

DID YOU READ THIS WEEK'S WEEKLY?!

Win some cool prizes just by reading the Weekly!

Reply to weekly@uchastings.edu by 12:00pm each Monday with the **correct** answers to all three questions to be eligible to be entered into the Weekly lottery. At the end of January, February, and April; two winners will be randomly chosen from the students who submitted all the correct answers that month. What's the prize? A \$10 Philz Gift Card!! If you submit each week, that allows you four chances to win as opposed to just answering one time!

But wait, there's more! Everyone who submitted correct answers during the semester will also be put into a lottery at the end of the semester and could win an awesome end of the semester prize!

- **True or False. If False, provide the correct statement:** The UCSF/UCH Consortium on Law, Science, and Health Policy Position does not require a JD.
- Who will be the speaker at the 3L Job Search on January 30th?
- What companies or law firms will be at the IP Tech and Career Fair Panel on January 25th?
