Green Tip of the Week!

New year, new you? Americans now buy 5 times as much clothing as they did in 1980, leading to 10.5 million tons of textiles ending up in landfill every year. Furthermore, it takes 713 gallons of water to make enough cotton for one shirt, using more energy and resources with every purchase. Make for a better 2017 and buy only what you need!

DRP Deadlines

Do you have a documented disability and need accommodations? Are you receiving treatment for or in the process of getting diagnosed with a possible disability, whether that disability is visible or non-apparent (sometimes called “hidden” or “invisible” disabilities?) **DON'T WAIT TO CONTACT DRP TO REQUEST ACCOMMODATIONS!** By law and to ensure the integrity of the program, registering with the Disability Resource Program (DRP) to determine eligibility and accommodations must be an interactive, deliberative and collaborative process. At a minimum, this includes (1) providing sufficient, relevant documentation for review, and (2) meeting with the Director for a comprehensive eligibility and access planning meeting (a.k.a., an intake.) It is not meant to be an onerous process, but **IT TAKES TIME**. Therefore:

- Students are urged to contact DRP at disabilityresourceprogram@uchastings.edu or 415-581-8948 at the very beginning of the semester to initiate this process and for timely consideration of classroom-based accommodations. Students are advised to schedule an intake appointment by FRIDAY, FEBRUARY 10, 2017, in order to be considered “timely” for classroom-based accommodations.
- Accommodations are not granted retroactively, so earlier is better!
- The deadline for COMPLETING your registration with DRP to consider accommodations for final exams only is FRIDAY, MARCH 24, 2017. However, if you haven't begun the process well in advance of that date, you may be too late to receive accommodations for final exams. Please refer to our website for more information about registering with DRP.

Are you concerned that you might have a disability, but do not have current or sufficient documentation, or have never been tested?

If you have UC SHIP, your first step is to contact [Student Health Services](#) (SHS) for an evaluation and possible recommendation for further assessment. We recommend that you also contact DRP to schedule a consultation simultaneously. If you do not have UC SHIP, please contact DRP at disabilityresourceprogram@uchastings.edu or 415-581-8948 to schedule a consultation.

At the end of January, February, and April; two winners will be randomly chosen from the students who submitted all the correct answers that month. What's the prize? A \$10 Philz Gift Card!! If you submit each week, that allows you four chances to win as opposed to just answering one time!

But wait, there's more! Everyone who submitted correct answers during the semester will also be put into a lottery at the end of the semester and could win an awesome end of the semester prize!
