***Green Tip of the Week!***

Did you know that coral reefs protect our coastlines, nurture millions of different species, and recycle excess carbon? Tourists release up to 6,000 tons of toxic, petroleum-based sunscreen a year in reef areas, resulting in harm to the reefs and their inhabitants. Look to non-toxic skin-care alternatives, as well as other sun protection like hats and umbrellas, to keep your body and our oceans safe!

## >> DEADLINES

### DRP Deadlines

Do you have a documented disability and need accommodations? Are you receiving treatment for or in the process of getting diagnosed with a possible disability, whether that disability is visible or non-apparent (sometimes called “hidden” or “invisible” disabilities?) **DON'T WAIT TO CONTACT DRP TO REQUEST ACCOMMODATIONS!** By law and to ensure the integrity of the program, registering with the Disability Resource Program (DRP) to determine eligibility and accommodations must be an interactive, deliberative and collaborative process. At a minimum, this includes (1) providing sufficient, relevant documentation for review, and (2) meeting with the Director for a comprehensive eligibility and access planning meeting (a.k.a., an intake.) It is not meant to be an onerous process, but **IT TAKES TIME**. Therefore:

- Students are urged to contact DRP at [disabilityresourceprogram@uchastings.edu](mailto:disabilityresourceprogram@uchastings.edu) or 415-581-8948 at the very beginning of the semester to initiate this process and for timely consideration of classroom-based accommodations. Students are advised to [schedule an intake appointment](#) by FRIDAY, FEBRUARY 10, 2017, in order to be considered “timely” for [classroom-based accommodations](#).
- Accommodations are not granted retroactively, so [earlier is better!](#)

- The deadline for COMPLETING your registration with DRP to consider accommodations for final exams only is FRIDAY, MARCH 24, 2017. However, if you haven't begun the process well in advance of that date, you may be too late to receive accommodations for final exams. Please refer to our website for more information about registering with DRP.

### Are you concerned that you might have a disability, but do not have current or sufficient documentation, or have never been tested?

If you have UC SHIP, your first step is to contact [Student Health Services](#) (SHS) for an evaluation and possible recommendation for further assessment. We recommend that you also contact DRP to schedule a consultation simultaneously. If you do not have UC SHIP, please contact DRP at [disabilityresourceprogram@uchastings.edu](mailto:disabilityresourceprogram@uchastings.edu) or 415-581-8948 to schedule a consultation.

## **IMPORTANT EXAM UPDATE from Records**

### **Do you have the NEWEST model of the MacBook Pro?**

We have received notice from ExamSoft, the company that produces SofTest, that SofTest does not block the predictive text function provided by the **Touch Bar found in the newest models of the MacBook Pro**.

The predictive text feature could be regarded as an unfair advantage, and the California Bar has prohibited the use of the MacBook Pro with Touch Bar for administration of the February 2017 bar exam.

ExamSoft tells us they plan to address this issue in a future update of SofTest. However, until SofTest is updated, **students may not use the MacBook Pro with Touch Bar model for timed exams administered on SofTest, including midterms. Students who violate this prohibition may receive no credit for their exam and may receive an administrative F for their course.**

Please note that this prohibition applies **only to SofTest**; exams written with a regular word processor (such as most take-home exams administered on TWEN) are unaffected. If you are unsure whether your exam will be administered by SofTest, please contact the Records Office.
