Client Counseling Competition/Hastings Client Counseling Team

Hastings has an award winning Client Counseling Team that competes each year in the ABA Law Student Division Client Counseling Competition. Students learn to interview and counsel clients, learn an area of substantive law, and compete against other law students from across the country. The Hastings Client Counseling Team (HCCT) is an organization designed to focus on skills development, and integrating “real world” experience with theories and principles of client interviewing and counseling. Teams can be made up of any combination of 1L’s, 2L’s and 3L’s. To learn more about the team, please visit https://cndr.uchastings.edu/jd-students/Client%20Counseling%20Team/index.php.

Tryouts for the team will be Friday, November 14, 1:00 p.m. to 6 p.m. in Room 314 of the 198 Building.

Sign up for the tryouts by emailing Professor Karen Carrera at karen@e-licenciados.com, if you are interested in trying out.
Spring 2015 Clinical Opportunities

Spring 2015 Clinic application deadline extended - the following Clinics are continuing to accept applications: CJC-Individual Representation, Community Group Advocacy & Social Change Lawyering, Immigrants’ Rights, Liberty, Security & Technology, Mediation, and Refugee & Human Rights; please apply using the Common Clinic Application as soon as possible. Offers to students who have been selected for enrollment into a clinic will begin to be extended on Thursday, November 13th at noon. Students will have at least until Friday, November 14th at noon to accept an enrollment offer.

The Community Group Advocacy and Social Change Lawyering Clinic – Added info session!
Are you interested advocating for social change in collaboration with activist community groups? Curious about “rebellious” or “democratic” approaches to community lawyering? Interested in working at groups like the Ella Baker Center, the Immigrant legal Resource Center, Public Advocates, GAAP, or the California Nurses Association? The Community Group Advocacy and Social Change Lawyering Clinic is for students considering a career in social change lawyering, who are interested in learning how to work as effective partners with community activists and groups, rather than simply navigating the legal system on their behalf. Students, working in 2- or 3-person teams, are placed with Bay Area social justice lawyers or community groups to work 16-20 hours per week on a defined project impacting lower-income, working-class, of-color, and other marginalized communities. Projects involve grassroots lobbying, legislative drafting, community organizing or mobilizing, community legal education, media campaigns, and/or organizing public hearings. The clinic helps students refine a detailed, personal vision of the type of social justice lawyer they aspire to become. See the course webpage for examples of recent projects, learning goals, a recent syllabus, and other requirements.

To apply:
• attend one of three information sessions to be held in Room 325 of 100 McAllister Tower on (1) Tuesday, November 4th at noon, (2) Wednesday, November 5th at 3:30 p.m., or (3) Wednesday, November 12th at 3:30 p.m.
• apply online using the Common Clinic Application. The application deadline for the Group Advocacy clinic has been extended to Wednesday, November 12, 2014, at 8pm. 2Ls and 3Ls are welcome to apply.

Spring 2015 Mediation Clinic – Added info session!
GOOD NEWS – ADDITIONAL INFORMATION SESSION ADDED!

The Spring 2015 Mediation Clinic has added another Information Session on Monday, November 10, 2014 at 3:30 – 4:30, Room 325 of the Civil Justice Clinic (located at 100 McAllister, 3rd Floor).

BUILD YOUR LAWYERING SKILLS IN THE MEDIATION CLINIC! Come hear how you can earn 6 credits by serving as a mediator in Small Claims Court and the SF Human Rights Commission. As a clinic mediator, you will gain confidence as a public speaker, learn how to handle conflict, identify and reduce your biases, and help parties reach mediated agreements in a wide variety of legal disputes. (Negotiation & Settlement or Negotiation & Mediation: Process & Practice pre-reg. may be waived with Professor’s permission).

If you are interested in applying for a space in the Mediation Clinic, you must attend one Information Session!

Student Health Announcements

UC Student Health Insurance Program (SHIP) Waiver Criteria Change, effective Spring 2015 Semester

This fall, the minimum coverage criteria required to waive enrollment in SHIP on all UC campuses presented new challenges for students, parents and administrators alike. In response, campus student health administrators, student representatives and the UC Office of the President have developed streamlined, less restrictive waiver criteria to be effective fall 2015 and, on some campuses, for the next academic term. In order to best serve students, UC Hastings will implement the new waiver criteria for the spring 2015 semester. Some students whose waivers were not approved for fall may be able to waive enrollment in SHIP for spring semester, 2015. Please see this letter from Dr. John Stobo, SVP Health Sciences and Services, UC Office of the President.
