**ANNOUNCEMENTS**

**Client Counseling Competition/Hastings Client Counseling Team**

Hastings has an award winning Client Counseling Team that competes each year in the ABA Law Student Division Client Counseling Competition. Students learn to interview and counsel clients, learn an area of substantive law, and compete against other law students from across the country. The Hastings Client Counseling Team (HCCT) is an organization designed to focus on skills development, and integrating “real world” experience with theories and principles of client interviewing and counseling. Teams can be made up of any combination of 1L’s, 2L’s and 3L’s. To learn more about the team, please visit [https://cndr.uchastings.edu/jd-students/Client%20Counseling%20Team/index.php](https://cndr.uchastings.edu/jd-students/Client%20Counseling%20Team/index.php).

Tryouts for the team will be Friday, November 14, 1:00 p.m. to 6 p.m. in Room 314 of the 198 Building.
Sign up for the tryouts by emailing Professor Karen Carrera at karen@e-licenciados.com, if you are interested in trying out.

Learn about the Community Group Advocacy at Info Sessions on 10/31, 11/4, or 11/5.
Are you interested in collaborating with activist community groups to advocate for social change? Curious about “rebellious” or “democratic” approaches to community lawyering? The Community Group Advocacy and Social Change Lawyering Clinic is for students considering a career in social change lawyering, who are interested in learning how to work as effective partners with community activists and groups, rather than simply navigating the legal system on their behalf. Students, working in 2- or 3-person teams, are placed with Bay Area social justice lawyers or community groups to work 16-20 hours per week on a defined project impacting lower-income, working-class, of-color, and other marginalized communities. Projects involve grassroots lobbying, legislative drafting, community organizing or mobilizing, community legal education, media campaigns, and/or organizing public hearings. The

Make the Commitment to Yourself: New Hastings Weight Watchers Series Starting!

Faculty, staff AND students: Hastings Weight Watchers group is starting a new cycle in three weeks, and you're invited to join us! Get support through the holiday season and a jump start on your New Year's Resolution! The WWDivas (and yes, men can be Divas, too!) offers amazing support, acceptance, encouragement, inspiration and lots of laughter. However, we won't be able to continue if we don't get enough new people -- we need a minimum of 15 people, total, to join by November 12. Think you can't spare the time? This is just one hour out of your week for you to focus on yourself and do something FUN and HEALTHY! Think you can't afford it? Just two lattes a week pays for the series (plus, if you replace two lattes a week with one hour of Weight Watchers, think of how much healthier you've just become!) Think you're not a "group person?" Members who attend meetings are 8 times more likely to lose weight than those that do not attend or try to do it themselves. Our group with an average of 10 members has lost 250 lbs in 24 weeks. But it's not just about weight loss ... it's about making healthy choices and taking care of yourself.

The College of Labor and Employment Lawyers and American Bar Association Section of Labor and Employment Law Annual Student Writing Competition for 2014-2015

The College of Labor and Employment Lawyers and the ABA Section of Labor and Employment Law are pleased to announce their 2014-2015 writing competition. This competition is open to articles written while the author is a student at an accredited law school in the United States. Authors may not have graduated from law school prior to December 1, 2014. Graduate students in law school (LLM candidates) are not eligible. Entries may address any aspect of public or private sector labor and/or employment law relevant to the American labor and employment bar. Students are encouraged to discuss a public policy issue, practical implications of a leading case or doctrine, a statute or the need for statutory modification, or a common law doctrine. Articles may address U.S. law, international law of relevance to U.S. labor and employment attorneys, or how a legal topic is treated in states across the country, but papers limited to the law of a single state will not be considered. Papers must be analytical in nature, not merely a summary of the law. Students must present and discuss competing points of view with respect to the issue presented and must distinguish their conclusions from opposing positions with sound logic and reference to multiple sources. Entries will be evaluated on topic selection, analysis, quality of research, grammar, spelling, usage and syntax, clarity, structure, overall appearance, and relevance to the practicing labor and employment law bar.

Deadline to submit papers is May 15th, 2015.
