## Spring 2017 Experiential Opportunities – Clinics and Externships

As you start to plan to register in mid-November for Spring 2017 classes, consider our renowned clinics and externship programs, where you can earn academic credit while gaining lawyering experience under the supervision of full-time clinical faculty, practicing attorneys, or judges committed to your professional development.

- In most clinics, students take lead responsibility for representing real clients from start-to-finish under the supervision of Hastings clinical faculty, who select appropriate cases and provide support and detailed feedback. An accompanying academic course integrates training in relevant substantive law and the skills (e.g., interviewing, counseling, fact development, negotiating, etc.) in which students will engage, as well as grounded discussions that help students reflect on their fieldwork and role as lawyers.
- In externships (also known as field placements), students work on assignments in bustling, real-world government agencies and non-profit law offices under the supervision of attorneys who supervise and provide feedback on students' work. A linked academic course, taught by Hastings faculty, encourages students to reflect on what they are learning from their fieldwork assignments and how to work most effectively with their site supervisors.

For a complete overview of each of these courses, their prerequisites, units, and detailed descriptions, visit <http://www.uchastings.edu/academics/clinical-programs/clinics/index.php> or follow the links below to learn more about specific clinics and field placement programs. Many clinics hold **mandatory information sessions**, so check their webpages and watch the Weekly for announcements of the dates and times.

This is an opportunity to become more familiar with immigration law and veterans' rights. There will be a training held here at UC Hastings from 5:00 – 6:30pm on November 15<sup>th</sup> and the clinic will run on November 19<sup>th</sup> from 9:00 – 11:30 am. This opportunity is open to 1L – 3L students. If you are interested, please RSVP to James de los Reyes at [jamesdelosreyes@fbanc.org](mailto:jamesdelosreyes@fbanc.org)
- The SF Pathways to Citizenship Initiative is hosting another naturalization workshop in SF at the CitiCenter (205 13<sup>th</sup> St) on Saturday, December 3<sup>rd</sup>. The workshop will be an all day affair. Some volunteers may be expected to report as early as 8am and depending on how many participants show up, the workshop can end anywhere between 3-5pm. No previous experience is needed and all volunteers are welcome. To sign up, please [click here](#).
- [The Housing Rights Committee](#) is looking for student volunteers to participate with their tenant's rights clinic. The clinic operates Monday through Thursday, 1-5pm at the Housing Rights Committee office, located at 1663 Mission, #504 in

San Francisco. The clinic provides information and counseling to tenants on a range of issues – from a persistent leak in the ceiling to help with eviction papers. Volunteers are asked to commit to around 4 hours a week for the rest of the semester. Training will be provided. Interested students can contact Tommi Avicolti Mecca at [mecca@hrcof.org](mailto:mecca@hrcof.org) or (415) 703-8634.

- [The Legal Aid Association of California](#) is recruiting volunteers to participate in their **LiveChat** through [LawHelpCA.org](#). This is the official statewide resource for self-help referrals and information and LiveChat volunteers help people navigate the website by providing direct, person-to-person help for someone who might be in a stressful and alienating legal situation who just needs a kind, human response. This is a great opportunity for anyone who is interested in direct services, broadening access to justice, and community education. Students can gain pro bono hours and learn about tools for social justice in many topics. It is possible to work remotely from a personal computer, though the first few training/practice sessions take place in LAAC's Oakland office until you are comfortable navigating the website. This opportunity is open to 1L, 2L, or 3L volunteers. Students are expected to commit to 20 hours over the course of the semester. **Interested students should contact Timothy Ng at [tng@laaonline.org](mailto:tng@laaonline.org) or (510) 893-3000 ext 102.**
- [Justice & Diversity Center's Consumer Debt Defense and Education Clinic](#) is a monthly clinic held two Wednesday evenings a month from 6-9pm. Volunteers assist attorneys with drafting cease and desist letters to creditors, answers, fee waiver applications, responses to discovery, motions for summary judgement, demands for bills of particulars, claims of exemption, proposed orders and proof of services. Volunteers also perform legal research on-site as needed to help manage the clinic and communications with clients. Volunteers will be likely to sit in on client consultations and as the clinic develops, volunteers may be able to attend hearings and/or trials with attorneys. All volunteers must attend a 1-hour training session prior to volunteering. **For information about the next training, please email [probono@sfbay.org](mailto:probono@sfbay.org).**
- [Tenants Together](#), California's only statewide organization for renters' rights, is putting out a call for volunteers. In November of this year, five cities in the wider Bay Area will be voting on comprehensive rent control measures, and hopefully they will win. Volunteers will do work varying from supporting/defending legal challenges on rent control, helping prepare educational materials to train tenant lawyers on the new ordinances, compiling know-your-rights info sheets for affected tenants, and doing legal research. As we have seen in SF and Oakland (amongst many other cities), the appalling impacts of displacement more intensely affect people of color and low-income communities. In short, legal volunteers are key in the fight against gentrification and displacement. Volunteers are expected to commit to at least 5 hours per week. The Tenants Together office is located at 474 Valencia Street in San Francisco (a short walk from the 16th Street Mission BART station), open Monday-Friday 9am-5pm, and monthly clinics in Concord, Richmond, and San Jose are in the evenings. **To apply, please send a resume and cover letter to [sara@tenantstogether.org](mailto:sara@tenantstogether.org).**
