- **ELLSA** (Employment and Labor Law Students Association) is once again teaming up with the [Legal Aid Society-Employment Law Center](#) to provide wage claim counseling to members of the public. ELLSA is looking for 8-12 counselors that would like to gain valuable experience interacting with clients and dealing with wage and hour claims. The training session will be held on Friday, September 30 from 12 - 4 pm at the Downtown San Francisco office at 180 Montgomery St. Suite 600. The clinics will be held at the SF Labor Commissioners Office located on the 10th floor at the State building at 455 Golden Gate Ave, which is only two blocks from Hastings. You must attend the training in order to participate in the clinics. The two clinics this fall will be held on October 14 and November 18. If you are interested, please send an email to
- [The SF Pathways to Citizenship Initiative](#) is hosting a Naturalization Workshop in San Francisco at the CitiCenter (205 13th St) on Saturday, October 1, 2016. Volunteers will be expected to report in around 8:00 am (actual arrival times will vary based on individual role assignments) and depending on how many participants show up, the workshop can end anywhere between 3:00 to 5:00 pm. All volunteers are welcome. A training will be provided the day of the workshop so no previous naturalization knowledge is necessary. **Interested students should [click here](#) to sign up.**
- [The Legal Aid Association of California](#) is recruiting volunteers to participate in their **LiveChat** through [LawHelpCA.org](#). This is the official statewide resource for self-help referrals and information and LiveChat volunteers help people navigate the website by providing direct, person-to-person help for someone who might be in a stressful and alienating legal situation who just needs a kind, human response. This is a great opportunity for anyone who is interested in direct services, broadening access to justice, and community education. Students can gain pro bono hours and learn about tools for social justice in many topics. It is possible to work remotely from a personal computer, though the first few training/practice sessions take place in LAAC's Oakland office until you are comfortable navigating the website. This opportunity is open to 1L, 2L, or 3L volunteers. Students are expected to commit to 20 hours over the course of the semester. **Interested students should contact Timothy Ng at tng@laaconline.org or (510) 893-3000 ext 102.**
- [Justice & Diversity Center's Consumer Debt Defense and Education Clinic](#) is a monthly clinic held two Wednesday evenings a month from 6-9pm. Volunteers assist attorneys with drafting cease and desist letters to creditors, answers, fee waiver applications, responses to discovery, motions for summary judgement, demands for bills of particulars, claims of exemption, proposed orders and proof of services. Volunteers also perform legal research on-site as needed to help manage the clinic and communications with clients. Volunteers will be likely to sit in on client consultations and as the

clinic develops, volunteers may be able to attend hearings and/or trials with attorneys. All volunteers must attend a 1-hour training session prior to volunteering. **For information about the next training, please email probono@sfbar.org.**

- **[Justice & Diversity Center](#)** also hosts the **Interpreter Project**. Volunteers who are bilingual in English and either Spanish, Mandarin, or Cantonese are needed to assist with full scope cases that are placed with monolingual clients and attorneys. After attending a mandatory orientation session, you will be able to volunteer one-on-one with a volunteer attorney and their client. **To apply to the Interpreter Project, please request a volunteer application from robono@sfbar.org.**
- **[Tenants Together](#)**, California's only statewide organization for renters' rights, is putting out a call for volunteers. In November of this year, five cities in the wider Bay Area will be voting on comprehensive rent control measures, and hopefully they will win. Volunteers will do work varying from supporting/defending legal challenges on rent control, helping prepare educational materials to train tenant lawyers on the new ordinances, compiling know-your-rights info sheets for affected tenants, and doing legal research. As we have seen in SF and Oakland (amongst many other cities), the appalling impacts of displacement more intensely affect people of color and low-income communities. In short, legal volunteers are key in the fight against gentrification and displacement. Volunteers are expected to commit to at least 5 hours per week. The Tenants Together office is located at 474 Valencia Street in San Francisco (a short walk from the 16th Street Mission BART station), open Monday-Friday 9am-5pm, and monthly clinics in Concord, Richmond, and San Jose are in the evenings. **To apply, please send a resume and cover letter to sara@tenantstogether.org.**

Guatemalan Women Healing Toward Justice: the case of Sepur Zarco

October 13, 2016

5:30 pm – 7:30 pm

UC Hastings College of the Law
Alumni Reception Center
200 McAllister Street – San Francisco, CA

1 Hour of MCLE Credit

Please join the Center for Gender & Refugee Studies (CGRS) and the Network in Solidarity with the People of Guatemala (NISGUA) for an evening with Ms. Maudi Tzay, a Guatemalan psychologist with the Community Studies and Psycho-Social Action Team, a well-known Guatemalan mental health organization that provides healing accompaniment to survivors of violence. Ms. Tzay will present on her role as a psychologist within an alliance of plaintiff organizations (Alliance for Breaking the Silence and Ending Impunity) in the historic [Sepur Zarco trial](#) in which former military personnel were successfully convicted of crimes against humanity for rape, sexual slavery, and domestic slavery of indigenous women in Guatemala's internal armed conflict.

CGRS Director and UC Hastings Law Professor Karen Musalo will also present on the historic importance of the Sepur Zarco case, addressing the brutality and genocide that occurred during the 36-year armed conflict and the Guatemalan military regime's use of violence against women as a war strategy. The impact of this gender-based violence continues in Guatemala to this day, forcing women and children to flee for their lives and seek asylum in the United States. CGRS has a long-standing commitment of documenting and combating gender-based violence in Guatemala and Central America, building partnerships with human rights advocates in the region, and defending the right to asylum in the United States for women and children fleeing this violence. We are honored to be joined by Ms. Tzay as we celebrate the historic Sepur Zarco victory and continue to fight against present-day impunity enjoyed by perpetrators of crimes against women.

This event is part of NISGUA's Fall 2016 speaking tour in the Southwest and Western United States.

Please [RSVP here](#) – space is limited.
