>> DEADLINES

Disability Resource Program Deadlines!

Do you have a documented disability and need accommodations? Are you receiving treatment for or in the process of getting diagnosed with a possible disability, whether that disability is visible or non-apparent (sometimes called “hidden” or “invisible” disabilities?) **DON'T WAIT TO CONTACT DRP TO REQUEST ACCOMMODATIONS!** By law and to ensure the integrity of the program, registering with the Disability Resource Program (DRP) to determine eligibility and accommodations must be an interactive, deliberative and collaborative process. At a minimum, this includes (1) providing sufficient, relevant documentation for review, and (2) meeting with the Director for a comprehensive eligibility and access planning meeting (a.k.a., an intake.) It is not meant to be an onerous process, but **IT TAKES TIME**. Therefore:

- Students are urged to contact DRP at disabilityresourceprogram@uchastings.edu or 415-581-8948 at the very beginning of the semester to initiate this process and for timely consideration of classroom-based accommodations. Students are advised to schedule an intake appointment **by FRIDAY, SEPTEMBER 9, 2016**, in order to be considered “timely” for classroom-based accommodations, and in order to be **COMPLETE the registration process by FRIDAY, SEPTEMBER 30, 2016**
- Accommodations are not granted retroactively, so earlier is better!
- The deadline for **COMPLETING** your registration with DRP to consider accommodations **for final exams is FRIDAY, OCTOBER 28, 2016**. However, **if you haven't begun the process well in advance of that date, you may be too late to receive accommodations for final exams**. Please refer to our website for more information about [registering with DRP](#).

Are you concerned that you might have a disability, but do not have current or sufficient documentation, or have never been tested?

If you have UC SHIP, your first step is to contact [Student Health Services](#) (SHS) for an evaluation and possible recommendation for further assessment. We recommend that you also contact DRP to schedule a consultation simultaneously. If you do not have UC SHIP, please contact DRP at disabilityresourceprogram@uchastings.edu or 415-581-8948 to schedule a consultation.

- [The Legal Aid Association of California](#) is recruiting volunteers to participate in their **LiveChat** through [LawHelpCA.org](#). This is the official statewide resource for self-help referrals and information and LiveChat volunteers help people navigate the website by providing direct, person-to-person help for someone who might be in a stressful and alienating legal situation who just needs a kind, human response. This is a great opportunity for anyone who is interested in direct services, broadening access to justice, and community education. Students can gain pro bono hours and learn about tools for social justice in many topics. It is possible to work remotely from a personal computer, though the first few training/practice sessions take place in LAAC's Oakland office until you are comfortable navigating the website. This opportunity is open to 1L, 2L, or 3L volunteers. Students are expected to commit to 20 hours over the course of the semester. **Interested students should contact Timothy Ng at tng@laaconline.org or (510) 893-3000 ext 102.**

All volunteers are welcome. A training will be provided the day of the workshop so no previous naturalization knowledge is necessary. **Interested students should [click here](#) to sign up.**
- [The East Naturalization Collaborative](#) is hosting a Citizenship Workshop in Fremont on Saturday, September 17th at the Fremont Family Resource Center in Fremont (39155 Liberty Street, Fremont, CA 94538). The GI Rights Network is coalition of nonprofit, nongovernmental organizations that provide free and confidential information to US military service members, veterans, and their families. Most of the work of the Network is done through the GI Rights Hotline, but the Network also provides email counseling and live in-person counseling in some locales. The Network also maintains a website with easy access to information about discharges, military regulations, GI rights, and other organizations; all information is available in both English and Spanish. The GI Rights Hotline asks students for a two hour a week commitment. Working hours are between 10 and 5 generally, although exceptions have been made. After attending a training session, students are paired with an experienced counselor until they have acquired command of the necessary materials, then they may counsel on their own. This is a great opportunity to be introduced to Military issues, and to work on your interviewing skills! Veterans are especially invited to participate. **Interested students should contact Siri Margerin at sirism@mac.com or 415-863-3771 for more information and to sign up for the training.**

- **[Tenants Together](#)**, California's only statewide organization for renters' rights, is putting out a call for volunteers. Volunteers will do work varying from supporting/defending legal challenges on rent control, helping prepare educational materials to train tenant lawyers on the new ordinances, compiling know-your-rights info sheets for affected tenants, and doing legal research. As we have seen in SF and Oakland (amongst many other cities), the appalling impacts of displacement more intensely affect people of color and low-income communities. In short, legal volunteers are key in the fight against gentrification and displacement. Volunteers are expected to commit to at least 5 hours per week. The Tenants Together office is located at 474 Valencia Street in San Francisco (a short walk from the 16th Street Mission BART station), open Monday-Friday 9am-5pm, and monthly clinics in Concord, Richmond, and San Jose are in the evenings. **To apply, please send a resume and cover letter to sara@tenantstogether.org.**

Panel Discussion of Race and Policing

Wednesday, September 28th, 2016, 3:30-5:00pm, ARC

In the last few years, a series of tragic incidents raised public attention to a serious crisis of trust between police departments and the communities they serve, particularly communities of color and of low income. These incidents have led to vocal riots and to the rise of the Black Lives Matter movement, leading to violent clashes between activists and police officers. What are the roots of this crisis? How can racialized practices in policing be understood and addressed? What is being done, and what should be done, to heal the broken trust between the police and the community? This panel on Race & Policing will feature voices of activists, police officers, lawyers, community-relations officials, and academics, in an effort to tackle these important questions.

- **Hadar Aviram** (moderator), UC Hastings Professor
- **Jeff Adachi***, San Francisco Public Defender
- **Toney Chaplin**, Interim Chief of the San Francisco Police Department
- **Nikki Jones**, UC Berkeley Professor
- **Grande Lum**, Former Director of the DOJ's Community Service Relations Service
