## **San Francisco Immigrant Legal Defense Collaborative (SFILDC) is looking for students to help with projects!**

In 2014, the San Francisco Board of Supervisors funded a ground-breaking collaborative of 13 organizations – known together as the San Francisco Immigrant Legal Defense Collaborative (SFILDC) -- to protect the due process rights of recent women and children who came to the US to escape violence in Central America and have been put in expedited removal proceedings before the San Francisco Immigration Court. Many of these opportunities can be tailored to your interest and availability, and the SFILDC will provide any needed training and support. Spanish fluency may be required for some of these projects. These projects include: (1) Interpreting for families and children at the Asylum Office and other USCIS interviews; (2) Preparing and reviewing declarations and applications with families/children; (3) Conducting Know Your Rights presentations at the SF Immigration Court; (4) Assisting with Attorney of the Day services at the SF Immigration Court; and (5) Assisting with legal pleadings and research, creating pro se materials, and other assistance. ## **Student Health Announcements**

### **Flu Clinics**

Flu season is almost here. Per CDC recommendations, everyone 6 months of age and older should receive annual influenza vaccination. It takes about two weeks after vaccination for your body to develop an immune response. Get vaccinated now so that you will be protected when flu season begins. In the United States, influenza season usually begins in October and can last until May.

Student Health would like to prepare you for flu season by offering influenza vaccines **for \$15**. For more information re: the seasonal flu vaccines go to the [Flu Vaccination Page](#).

**Online prepayment is required.** Please prepay through [webadvisor](#).

If you have UC SHIP insurance, you can get fully reimbursed for this charge by submitting a claim form with attached receipt. Claim forms are available online or at SHS.

**Save the date for a Drop in Clinic** to be held on:

Wednesday, October 7, 1pm to 4:30pm  
SHS, 200 McAllister Street, Room 202

No appointment is necessary. Students will be served on a first come- first served basis.

Don't procrastinate! Purchase your flu vaccination online now using your charge card. Bring a copy of your receipt of prepayment to Student Health Services during any of the times listed above to get your flu vaccine.

### **STUDENT-AT-LARGE MEMBERS WANTED FOR STUDENT HEALTH ADVISORY COMMITTEE (SHAC)**

Are you interested in providing feedback to Student Health Services regarding the student health insurance policy and medical services? If you would like to have input in terms of actually being a part of formulating the student health insurance policy, consider applying to be a student-at-large member of the Student Health Advisory Committee. This group requires only a minimal time commitment. Meetings are held approximately 3-4 times during the academic year to review Student Health Services practices and make recommendations to UCSHIP regarding student health insurance coverage. Lunch or snacks are provided at all meetings.

**Please submit a letter of interest AND RESUME TO [Laurie Brookner, RN, Manager](#) . Deadline for submission is October 1, 2015.**

## Disability Resource Program Announcements!

Do you have a documented disability and need accommodations? Are you receiving treatment for or in the process of getting diagnosed with a possible disability, whether that disability is visible or non-apparent (sometimes called “hidden” or “invisible” disabilities?) **DON'T WAIT TO CONTACT DRP TO REQUEST ACCOMMODATIONS!** By law and to ensure the integrity of the program, registering with DRP to determine eligibility and accommodations must be an interactive, deliberative and collaborative process. At a minimum, this includes (1) providing sufficient, relevant documentation for review, and (2) meeting with the Director for a comprehensive eligibility and access planning meeting (a.k.a., an intake meeting.) It is not meant to be an onerous process, but **IT TAKES TIME**. Therefore, students are urged to **contact DRP at [DRP@uchastings.edu](mailto:DRP@uchastings.edu) or 415-581-8948** at the very beginning of the semester to initiate this process and for timely consideration of classroom-based accommodations. **Students are advised to [schedule an intake appointment to occur no later than FRIDAY, OCTOBER 2, 2015](#)**. Accommodations are not granted retroactively, so **earlier is better!** The deadline for **completing your registration with DRP** to consider accommodations for final exams is **WEDNESDAY, NOVEMBER 4, 2015**. **However, if you haven't begun the process well in advance of that date, you may be too late to receive accommodations for final exams**. Please refer to our website for more information about [registering with DRP](#).

### Are you concerned that you might have a disability, but do not have current or sufficient documentation?

If you have UC SHIP, your first step is to contact [Student Health Services](#) (SHS) for an evaluation and possible recommendation for further assessment. We recommend that you also contact DRP to schedule a consultation simultaneously. If you do not have UC SHIP, please contact DRP at [DRP@uchastings.edu](mailto:DRP@uchastings.edu) or 415-581-8948 to schedule a consultation.

As cities and states the world over begin regulating this industry (or choosing not to regulate it), the research will inform the laws and policies that affect the everyday lives of thousands of low income workers and transportation consumers.
