MPRE Registration Deadline is September 10, 2014 (MPRE Exam is on November 1, 2014)

The Multistate Professional Responsibility Examination (MPRE) is a two hour multiple choice exam administered by the National Conference of Bar Examiners. It is required for admission to the California State Bar as well as almost every other jurisdiction. The next MPRE date is November 1, 2014. If you register by September 10, it costs $80. (The late registration deadline is September 25, 2014 and costs $160.) Exam information and registration may be found at the following website: http://www.ncbex.org/about-ncbe-exams/mpre/mpre-registration/

Disability Resource Program Deadlines

Do you think you might have an undiagnosed disability? Are you receiving treatment for or in the process of getting diagnosed with Depression, Anxiety, ADHD, a Learning Disability or any other so-called “hidden” or “invisible” disability? DON’T WAIT TO CONTACT THE DISABILITY RESOURCE PROGRAM (DRP) TO REQUEST ACCOMMODATIONS! By law and to ensure the integrity of the program, registering with DRP to determine eligibility and accommodations must be an interactive, deliberative and collaborative process. At a minimum, this includes meeting with the Director for a comprehensive eligibility and access planning meeting (a.k.a., an intake meeting), and reviewing relevant documentation. It is not meant to be an onerous process, but it can take time. Therefore, students are urged to contact DRP at DRP@uchastings.edu or 415-565-8948 early in the semester to initiate this process. Students are advised to schedule an intake appointment to occur no later than Thursday, September 18, 2014 for timely consideration of classroom-based accommodation requests for the fall semester. The deadline for completing your
registration with DRP is Friday, October 31, 2014 – but if you haven’t begun the process well in advance of that date, you may be too late to receive accommodations for final exams. Please refer to the UC Hastings website at http://www.uchastings.edu/about/admin-offices/disability-resource-program/index.php for more information.

Calling Hastings Swimmers!

Calling all swimmers! Our Hastings swim team, Laps of Judgment, will be swimming at the Women’s Cancer Resource Center’s Swim-a-Mile for Women with Cancer. We’re swimming in honor and in memory of our students, faculty and staff who have experienced cancer.

We're slotted to swim on Sunday, Oct. 5, at 2pm, at the Mills College Pool.

But I'm not good/fast. Doesn't matter! Some people swim with fins, some water-walk, and everyone has fun! And if you are fast, maybe you'll set a personal best that day!

But I can’t swim a whole mile. That's okay! Last year some of our younger team mates swam their mile as a relay.

But my SO/relative/friend wants to swim, too. That's great! They can join the team as well!

To join our team, please go to www.wcrc.org/swim and provide code no. 2058902401. If you have any questions, feel free to contact Hadar Aviram at aviramh@uchastings.edu

- **Social Security Disability Benefits Intern** While G.A.A.P. is known primarily for its direct representation for clients who are receiving county benefits (commonly referred to as “General Assistance” or “GA”) we also serve a number of clients who are receiving permanent disability benefits from the federal government. Most legal services related to the Social Security benefits help clients during the application stage. However, there is also a significant community need for representation when a client is facing termination of their benefits or is being charged with a large overpayment. For example, a SSI recipient may be working part-time and reporting his wages to the Social Security Administration (SSA), only to have the agency discover years later that the recipient was overpaid due to an administrative error. These type of overpayments can add up to the tens of thousands of dollars. A sum that can cause significant stress and financial hardship when demanded from a client who does not have the means to support himself in the first place due to permanent disability. In the worst case scenario, the client’s benefits may be terminated completely, leaving the client without income for a mistake that was caused by the agency. The Social Security Disability Benefits intern will work a minimum of 6 hours a week to help clients facing SSA terminations and overpayments preserve their benefits. The intern will have an opportunity to conduct client interviews, draft declarations, conduct factual and legal research, and draft persuasive correspondence and briefs on behalf of clients. The intern will also maintain his or her own client caseload under the supervision of GAAP’s staff attorney, Kendra Amick. All six hours do not need to be in the office, so long as the intern stays in close communication with the staff attorney regarding assignments and is present at GAAP during office hours at least 3 hours a week to meet with clients. The internship will start the week of September 8th, 2014. If you are interested in this position, please contact Kendra Amick directly at kamick@gaap.org. Please include a resume with your email and a brief statement about why you are interested in the internship. The deadline for application is Saturday, August 30th. If you have additional questions about this position you can email Kendra at the address above or call (415) 692-3821.

Pro Bono timesheets can be printed from: http://www.uchastings.edu/academics/pro-bono/docs/Pro%20Bono%20TimeSheet%202011.pdf and can be emailed to Jayme Jackson at jacksoja@uchastings.edu or delivered to the Externships and Pro Bono Programs Office on the 3rd floor of the Tower.
