

PICAP HARDSHIP APPLICATION

Introduction

The hardship appeal process is for PICAP participants who capped out of the program in the last PICAP cycle (January-December 2017) due to exceeding the maximum allowable income under PICAP. Those who are within 10% of the income cap and have hardship circumstances (e.g., dependents, medical bills, etc.) may appeal for renewed funding. To receive funding consideration for 2018, all required documents must be received by April 15, 2018.

NB: Because PICAP funds are limited, awards are not guaranteed. Awards are made based on an annual budget approved by the UC Hastings Board of Directors and on the earnings of endowment funds restricted to the PICAP Program. Depending on available funds each year and the number of eligible participants in the program, recipients may receive less than the maximum amount.
