Statement of Understanding

The Tony Patiño Fellowship is a merit award created to award and support law students who have demonstrated leadership ability and whose outstanding academic and personal histories show leadership, academic achievement, ethical and honorable conduct, good moral character, dedication to humane values, past participation in public service activities, well-adjusted personality, and sound judgment. One of our factors for evaluation is past participation in public service activities. For this purpose, public service is broadly construed to include any activity, the primary object of which is to benefit others or the community as a whole. The Fellowship does not require a commitment to any specific field of law. Each Fellow-Elect is free to choose whatever field of law he or she wishes to pursue.

The Fellowship is awarded based solely on merit. The Fellowship will provide a merit award of not less than \$10,000 per year. The award is for one academic year only. The Fellowship is renewable for two subsequent consecutive academic years based upon, among other factors, the Fellow-Elect's personal and academic performance and his or her participation in the legal profession during his or her summer breaks (for instance, an externship with a judge, clerkship with a law firm, or a legal position with a public interest organization). Upon receiving the two renewals of the Fellowship, the final approval of the Renewal Committee, and a Juris Doctor degree, the Fellow-Elect will be named as a Tony Patiño Fellow.

Applicant acknowledges and agrees that there is no guarantee that he or she will be selected as a Tony Patiño Fellow-Elect as a result of this application and that the selection process is inherently a subjective one, in which the members of the Screening and Selection Committees may take such factors (among others) as personal background and life experiences, as well as academic achievement and public service, into account in making selections among competing candidates. In view of the foregoing, and in consideration for the review and processing of this application for the Fellowship, Applicant does hereby irrevocably and absolutely release and discharge the Tony Patiño Fellowship, The Friends of the Tony Patiño Fellowship, Inc., Hastings College of the Law and all of their past and present directors, trustees, officers, employees, agents, committee members, attorneys, shareholders, representatives, successors and assigns, and any related corporations or entities, from any and all complaints, claims, demands, causes of action, damages, costs and suits of any type and of whatever kind, character or nature whatsoever that may arise out of, be related to or be connected in any way with the consideration and/or rejection of this application or applicant as a Fellow-Elect or Fellow.

By checking this box and signing my name below I hereby acknowledge and agree to all the terms outlined in this application and the Statement of Understanding above.

By checking this box and signing my name below I hereby authorize the Tony Patiño Fellowship Committees to have access to my application for admission to Hastings and all related documents submitted by me and on my behalf. I understand that granting access to my law school application is not a substitute for any of the information required to be submitted with this application.
