INSTRUCTIONS FOR PART 1

1. Materials Allowed: This examination is **CLOSED BOOK**. You may not bring any materials into the examination room.

2. Questions: Part I of the exam consists of **24 multiple choice questions**. Each multiple choice question is equally weighted. Part I of the exam as a whole will count for **one third** of your grade. (Part II of the exam counts for the additional two thirds.) Budget your time carefully.

3. Responses: Select only one answer to each multiple-choice question. Pick the "best" answer from among the four options. **Enter your answers on the scantron sheet**. Answers written on the exam itself will not be counted. For each multiple choice question that mentions a court, assume the case is in federal court unless the question states otherwise.

4. Congratulations and good luck. It has been great working our way through the promises in the bill of rights together this semester. If this isn't your final year, I hope that I'll have the chance to do another subject with you. If this is your last year, best of luck on the bar and wherever you head from here as a lawyer. And in any event I hope very much that you will stay in touch.

All exam materials including scratch paper must be turned in to the proctor at the end of the exam. After the exam has been graded, the exam questions **in this part** will be **retained by instructor** and the exam answers **for this part** will be **retained by instructor**.
