GENERAL EXAM INSTRUCTIONS FOR STUDENTS

If you are using bluebooks, please write on **one side only** of each page and **double-space** your responses.

Please write legibly. If your response cannot be deciphered, it cannot be given full credit.

If you are using Examplify on a computer, your exam will be formatted automatically to double-space.

ALL exam materials including scratch paper must be turned in to the proctor at the end of the exam.

After the exam has been graded, the exam questions and exam answers for Parts I and II will be returned to student. The questions and answers for Part III will be retained by college.

ADDITIONAL INSTRUCTIONS:

1. All events in the exam take place in the hypothetical jurisdiction of the state of Hastings, unless otherwise noted.
2. Please pay close attention to the facts and the questions you are asked. Take time to think through and carefully analyze and plan your answer.
3. The exam is 3 hours and 30 minutes long. I recommend reading the exam for 10 minutes, then spending 100 minutes on **the Essay Question in Part I**; 5 minutes on each of the **Workshop-Based Questions in Part II**; and 5 minutes on each of the **MBE-Style Questions in Part III (mark answers on Scantron Sheet)**. That should leave you 30 minutes to reconsider your answer and think about the exam.

GOOD LUCK!
