### INSTRUCTIONS

This is a limited open-book, open-note examination. You may consult any of the required texts for this class. You may also consult your class notes, your reading notes, and any notes made while studying for the exam, whether you made them yourself or as part of a study group. You may not consult any published materials other than what was assigned for this class.

This is a ninety minute examination. It contains two questions. You must answer both of them. I recommend that you outline your answer before you start writing. The questions are designed to take only thirty minutes to answer. You have been given the extra half hour to ensure that you do not feel any time pressure on this exam.

Relax and enjoy yourself. Good luck.
