**INSTRUCTIONS:**

1. This examination consists of three parts. PART I consists of one essay (worth 40 points). PART II is an objective section consisting of 32 True-False Questions (worth 1 point each). PART III is an objective section consisting of 14 multiple-choice questions (worth 2 points each). You may type, or write in a bluebook the answers to PART I. You should answer the questions in PART II and PART III by writing in or circling the correct answer where designated.
2. This is a closed book examination. However, students will be provided with the text of certain pertinent federal rules and sections from Title 28 of the United States Code.
3. Students will have three and one-half hours to complete this examination.
4. If additional, unstated facts would affect your answer to the essay question, state what those facts are, and how they would affect your analysis. For purposes of this examination, assume that the Federal Rules of Civil Procedure apply and that you are to address only the issues and topics we addressed this semester.
5. Feel free to underline or highlight appropriate portions of your essay answer.
6. Budget your time accordingly. Consider the points available for each section in this regard.
7. Think about and organize your answer before starting to write. Clarity and organization will be rewarded.
