Auto Burglary Prevention Tips

Thefts from vehicles occur at all hours, day and night. All auto-burglaries generally have one thing in common: something to steal ... something valuable left in the car. And, many auto-burglaries are "crimes of opportunity"; that could have been avoided had some of the following simple preventative steps been taken.

- Lock all vehicle doors
- Set alarm or anti-theft device
- Don't leave valuables in the car
- If you must leave valuable items in your car while out and about, place items out of sight before reaching your destination or move them inconspicuously

If you are the victim of auto burglary in the area of Hastings, please report it to Hastings Public Safety Department, and then to San Francisco Police Department to file reports.

If you observe any suspicious activity on or around campus please report it to Campus Public Safety immediately at 565-4611 or by picking up a "Red" phone, or once you are in a safe location. At the UC Hastings Garage there are assistance stations that can be used to contact Campus Public Safety as well. For emergency or in-progress incidents, dial 9-1-1 and/or report it to the Public Safety Department.
