Subject: You are in Invited to Help Implement the Strategic Plan

Dear UC Hastings Staff,

The Strategic Planning Committee, Shauna and myself want to sincerely thank all who were able to attend yesterday's Town Hall meeting and for allowing us to review the College's strategic plan. We hope you found something to identify with amongst the eight strategic goals.

There is much work to be done to implement this plan. It provides a tremendous opportunity for the UC Hastings community to come together in a positive way. The UC Hastings staff has enormous, positive energy and innovative ideas and can make significant contributions to the implementation. As such, we invite you to participate in the implementation in one of three ways:

1. **Serve on a Committee.** Initially, we expect this will be a 2-4 hour monthly time commitment;
2. **Serve on the Committee Support Team.** In this capacity, the committee may call on you for assistance as needed (i.e., to help research or cost out a particular objective or tactic);
3. **Propose another way you would like to contribute.**

If you are interested in participating and have received approval from your supervisor to do so, please send me an email by no later than **Thursday, October 27, 2011** with the strategic goal you are interested in implementing and in what capacity you can contribute. Thank you to those who have already reached out to me offering to be involved. You do not need to notify me again.

The full strategic plan document and the eight strategic goals with specific objectives can be viewed at the following url:

I also invite you to read the article on the strategic plan published in the October 2011 edition of the Hastings Herald. You can find the article at the following url:

We expect to inform the community in early November of the committee chairs, members and support team.

If you have any questions, please feel free to contact Shauna, myself or any member of the Committee. Thank you for your consideration of this request and I look forward to hearing from you.

Sincerely,
Debbie Tran
