

Build a Vibrant and Connected Community

1. Reduce the size of the JD class to foster community building and engagement.
2. Explore using existing space to develop a student hub/community center.
3. Expand programs to bring alumni and students together and promote student engagement.
4. Collaborate with San Francisco legal organizations to bring together lawyers, faculty, and students to provide services and outreach to the Tenderloin community.
5. Improve our internal space and external landscape to ensure a safe, attractive, comfortable and engaging learning environment.
6. Use technology to broadcast and share community events to the Hastings community and the legal academy.
7. Support educational and training services for lawyers.
