

HASTINGS CIVIL JUSTICE CLINIC HONORED

On November 6, 2009, Associate Clinical Professor Eumi K. Lee accepted the Asian Pacific Islander Legal Outreach (“APILO”) *Legal Impact Award* on behalf of the Hastings Civil Justice Clinic, at APILO’s 34th anniversary celebration, “Lu’au By the Bay.” APILO recognized CJC because we host in our office a free monthly clinic sponsored by APILO and the Asian American Bar Association. This free clinic was co-founded by Prof. Lee, APILO, and AABA, and is often staffed by CJC alumnus Alison Hua (CJC S06), who is a co-chair of AABA’s Community Service Committee.
