Please answer the following questions on a separate piece of paper and attach your answers to this application.

1. Do you have any teaching or tutoring experience? If so, briefly describe it.
2. What previous mentoring or team-related experiences have you had? Describe these experiences.
3. Briefly describe your past Moot Court, professional writing and professional speaking experience, in school, or at work.
4. Fully describe your best attributes for this job and areas of law you have experience/interest.
5. List your Spring schedule commitments both on and off campus.

Please list your anticipated Spring class schedule. Also, list any additional commitments - i.e., work, journal, clerkship, externship and other weekly commitments.

**NOTE:** Please be realistic about your availability. If you plan to travel for job-hunting, or if you are an editor of a journal, you may be too busy for this job because it is labor intensive. If you apply for and accept this job, your Teaching Assistant responsibilities must be a priority.

6. Writing sample and resume.

Please **attach a resume and a short writing sample**. Your Moot Court or Appellate Advocacy brief would be best.
