

International Summer Internships - 2015

Who is eligible?

- Rising 2 and 3L
- In good standing

What types of programs?

- Non-profit organization
- International organization
- We have secured limited funding to support internships (unpaid positions) with “for profit” enterprises.

- International internship stipends are designed to help Hastings students **defray travel and living expenses while working over a summer or semester on international issues**. Internships may be with a non-governmental organization, international organization, or U.S. or foreign government agency, and must be an unpaid position. Generally internship stipends may not be awarded to students working with private law firms, even if the position is unpaid. Internships that are part of study abroad programs are also not eligible.
