

IMPORTANT REMINDERS BEFORE YOUR BEGIN BIDDING.

1. **Do NOT wait until the last day to begin submitting your bids.** The high volume of activity in the final days of bidding slows the system down significantly and you are more likely to experience technical problems. Avoid the drama – don't procrastinate!
2. You do NOT need to make all your bids at one time. We recommend you **bid in stages**. You can always go back into HCO, add, delete, or change your bids and application materials up until the bidding deadline.
3. **ALL BIDDING MUST BE COMPLETED BY THURSDAY, JULY 7TH, 5:00 PM PST.** After that time, you will not be able to add, edit, or delete bids or application materials on HCO. **Missing the bidding deadline because of a technical issue is still a missed deadline.** The Career Office will not be able to help you!
4. **Employers cannot see your rankings!** But it is necessary that you rank your bids for the computerized lottery system.
5. **Resume Collection applications do not count toward your 35 bid max** although they are assigned a ranking.
6. Pay attention to employers outside of San Francisco! We know you love SF but consider **maximizing your opportunities by bidding on employers located in Oakland or the Silicon Valley.** Exclusively bidding on SF employers will reduce your odds of getting an interview because you're competing with a larger pool of candidates – be a big fish in a small pond!
7. Watch out for Career Office emails regarding **underbid employers!** Almost every year, some employers do not receive enough bids to fill their interview schedule. The Career Office **may** re-open bidding for a few days after the bidding deadline to allow you to bid on these schedules.

Employer	Locations Interviewing For	Interview Dates	documents	Bidding
REVIEW Test Law Firm LLP (San Francisco, CA) San Francisco, CA	Summer associate program; San Francisco	N/A (Resume Collection), Aug 10th, Aug 17th, Aug 19th	no resume	1

- You will submit your bids from the employer’s “EIP Schedule” page by submitting the requested application documents under “Bid/Application Details” on the top right of the “EIP Schedule” page.
 - Please pay careful attention to the “Additional Requests” section of the employer’s “EIP Schedule.” Employers often provide bidding instructions or make additional requests (e.g., students must select one office as a primary office of interest; students must bring a copy of their transcript to the interview; etc.) **Please do not overlook this important information.**
 - Rank your bid for the employer by selecting a number from the “Bid/Application” dropdown menu.
 - Resume Collection applications do not count against your 35 bids, but you will have to rank them.** When you rank a Resume Collection, an additional ranking number (above 35) will appear in the ranking dropdown menu. For example, if you apply to two Resume Collections, you will see the numbers 1-37 when you go to rank another employer.
 - To a small degree, you can rank “strategically.” You may want to give a high ranking to an employer that is a “reach” for you to increase your chances of being selected for an interview through the lottery system. Please remember, this is NO way to guarantee being selected for a lottery interview. That’s why it’s a lottery!

BIDDING ON HCO

- c. Select the requested application documents from the drop-down menu. Carefully review the application documents requested by each employer and, if you haven't already, prepare and upload those documents to HCO (see the ["Uploading Application Materials on HCO"](#) section of this Handbook for more information).
- d. To successfully bid on an employer, you must upload all application documents required by an employer. You will only see dropdown menus for the documents required by an employer. For example, ***if there is no "Cover Letter" dropdown menu, then the employer does not want a cover letter.*** Do not submit other documents unless requested by the employer.
- e. Enter your Preferred Location(s) if relevant.
- f. Click on the teal "Apply" or "Update" button to submit/update your bid.
- g. Remember: Use your "Back to List" button at the bottom of the employer EIP Schedule to navigate through HCO.

Please pay careful attention to the Additional Requests!

To bid on an employer, submit the required application materials by selecting them on the drop-down menus and assign a ranking.

Date	Interviewing For	Allows Multiple Interviews	Additional Requests	Hiring Criteria
2016-08-01	Palo Alto, CA; Boston, MA; Broomfield, CO; Los Angeles, CA; New York, NY; Palo Alto, CA; Reston, VA; San Diego, CA; San Francisco, CA	No	All candidates submitting their resumes must select one of our office locations as their primary office of interest. If there is interest in more than one office, please inform the employer during the course of your interview.	High academic achievement (top 25% required-top 15% preferred), excellent writing and research skills, involvement in extracurricular activities, strong interpersonal skills, initiative, highly motivated, work experience, avoidance of team work, and geographic ties to office.

6. How to Update or Delete Bids.

- a. You cannot duplicate rankings (i.e., you cannot rank two employers #1). When you bid on an additional employer, the "Bidding" dropdown menu will show an * next to the number ranking you've already used. HCO will prompt you to update your rank for the other employer.
- b. If you want to delete a bid: (1) simply change the ranking to "no bid" from the "Bidding" dropdown menu on list of the employers page; or (2) delete your bid from the employer's EIP Schedule page by changing the "Bid/Application" dropdown menu to "no bid."
