
HOW TO OBTAIN A JUDICIAL CLERKSHIP

Office of Career & Professional Development

© 2012, U.C. Hastings College of the Law

There are federal district court (trial level) clerkships including magistrate judge clerkships, federal court of appeals clerkships, administrative law clerkships, international tribunal clerkships, tribal court clerkships, state clerkships (trial and appellate), and superior court clerkships.

FEDERAL CLERKSHIPS:

The names of the judges from the U.S. Court of Appeals, U.S. District Courts, U.S. Bankruptcy Courts, U.S. Court of Federal Claims, U.S. Court of International Trade, and U.S. Court of Appeals for Veterans Claims are all listed on an online system called OSCAR.

Not all judges will post their clerkships with OSCAR. Judges post clerkships on a rolling basis from May through the Fall. If there are judges you are interested in who have not posted clerkships by July, you may (very politely) call chambers to indicate that you did not see a posting on OSCAR and were wondering if a clerkship would be posted.

Some judges accept applications electronically and others require paper applications.

Both types are posted on OSCAR but you submit your materials via OSCAR only for electronic applications. Most judges, but not all, comply with guidelines that state that they may NOT receive applications from rising 3Ls until **September 4th at Noon**. **ALUMNI may apply at anytime.**

FOR ELECTRONIC AND PAPER APPLICATIONS:

STEP 1: Register on <https://oscar.symlicity.com> and create an account on or after **May 18th**

STEP 3: Create Recommenders on OSCAR.

- **For Hastings Recommenders:** In the “My Recommendations” tab, use the pull down menu to add in the names of Hastings faculty recommenders.

**ASK FACULTY TO EMAIL THEIR LETTERS TO: letters@uchastings.edu
THE PREFERRED DEADLINE IS JUNE 27th.**

- **For NON-Hastings Recommenders:** Fill out the “Create New Recommender” section to add in outside recommenders. **Non-Hastings recommenders CANNOT submit their letters to Faculty Support.**
- OSCAR will send the recommender an EVITE with a username and password they can use to upload the letter into OSCAR.
- If your recommender prefers, you can upload the letter on their behalf. Simply add your own email in the “Assistant cc: Email” line when you “Create New Recommender.” You will then also get a copy of the EVITE with the username and password.
- **YOUR LETTERS WILL NOT BE UPLOADED UNTIL YOU HAVE BUILT APPLICATIONS TO JUDGES.** See step 5 for more information.
- If your recommender needs assistance, *they* may contact the OSCAR help desk at 866-666-2120 (toll free) or oscar-support@ao.uscourts.gov.

Click on the left of your recommender's name and choose either to default recommender from the batch options pull-down menu. **Note: When creating individual applications, you will continue to have the option of deleting one or more of your default recommenders and/or adding one or more non-default recommenders from your recommender pool.**

Choose Existing Recommender:

SELECT YOUR FACULTY RECOMMENDERS HERE

SEARCH THE SYSTEM FOR RECOMMENDERS HERE

Create New Recommender

IF YOU CANNOT FIND YOUR RECOMMENDER ON THE ABOVE DROPDOWN LISTS, CLICK CREATE RECOMMENDER TO ADD THEM TO OSCAR.

Note: Removing a recommender from the My Pool of Recommenders tab will remove any completed or pending request from an application once the Update Application button in the Build an Application box is clicked and confirmed.

STEP 4: Upload documents into OSCAR.

- You must upload, at minimum, a resume in order to build applications on OSCAR.
- Convert all documents into PDF files before uploading; you cannot scan any documents. You will need a resume, cover letters, a writing sample, and grade sheets.

Cover Letters.

- You can create individualized cover letters as word documents, convert them into PDFs, and then individually attach each cover letter to the specific judge you are applying to.
- You can also create a general cover letter using the online OSCAR text editor; this editor contains merge fields which will enable the OSCAR system to mail merge the letters to all the judges you attach that letter to.
- Fairuz Abdullah in the Career Office is happy to review your materials.

Writing Sample.

- The quality of the writing is more important than whether the sample is a trial level memorandum or an appellate brief. The recommended length is 7-10 pages.

Grade Sheets.

- These can only be created using the OSCAR online editor. You may use the comments section to note awards or the fact that a course was a year long.

i All documents uploaded must be in .pdf format (with the exception of grade sheets and cover letters, as explained below). No individual uploaded document can be larger than 300KB. For more information on converting your documents to .pdf format, click [here](#).

For grade sheets, you must input your transcript data into an online form. When you select one of the grade sheets from the "Document Type" dropdown menu, the page will refresh with the grade sheet form. The data will be formatted in a table, which you will be able to preview. Click [here](#) for specific tips on creating grade sheets.

For cover letters, you do not need to upload an individual pdf for each judge to whom you are applying. Instead, after selecting "cover letter" as your document type below, you can choose to create one or more template cover letters using an online html editor, complete with merge field codes (for the judge's name, title, address, etc.). When you create an individual application by selecting a template letter, an individualized electronic cover letter containing the judge's specific information (name, address, etc.) will accompany the rest of your application materials.

If you decide to manually create individualized pdf cover letters, you cannot have more than 25 such cover letters uploaded at one time. In that event, you must create applications in sets of 25. After creating the first 25 applications, you must delete the 25 uploaded cover letters for these judges and upload 25 new cover letters for the next 25 judges for whom you are creating applications.

Warning - After 55 minutes, your OSCAR session will time out. When typing your gradesheet, you **MUST** periodically click on the **Save** button as well as the **Upload** button to save your gradesheet entries. The **Save** button only saves the information to the system and allows you to continue working on the gradesheet form. This button does not convert the saved information to a .pdf document. To generate a .pdf document of your gradesheet, you must click the **Upload** button.
