

2011-2012 Entering Students - Faculty Advisors

Each entering student is assigned a faculty advisor. The faculty advisors are available to answer your questions and provide guidance and support throughout your years at UC Hastings, rather than to serve a formal role such as approving course selection. Concentration and clinic advisors are available to all students to answer questions. The Director of Student Services is available for academic advising. Feel free to schedule an appointment with the Director of Student Services to map out your coursework by calling 415.565.4773.
