

APPLICATION INSTRUCTIONS

This is the application for admission to UC Hastings College of the Law as a **first-year student**. Separate applications are available for admission as a **transfer or a visiting student**.

Deadlines: March 1 is the application deadline for general admission; November 15 is the deadline if you are interested in early commitment (see p. 3 of the application). For priority consideration for financial aid, submit your FAFSA and the UC Hastings Financial Aid Supplement by March 1.

Non-Refundable \$75 Application Fee: Applicants submitting their application electronically are required to pay by credit card at the time the application is submitted. Applicants submitting a paper application must include a check payable to Hastings College of the Law.

Application Fee Waiver: The only application fee waivers honored are those submitted and approved by the Law School Admission Council (LSAC). UC Hastings does not independently grant fee waivers.

Register for the LSAT: The last LSAT administration accepted for fall admission is the February test. UC Hastings will accept a score on the LSAT taken any time during the five calendar years preceding the year for which admission is sought.

Register for the LSAC Credential Assembly Service (CAS): All applicants must send undergraduate transcripts and two letters of recommendation to CAS. International or domestic applicants who have completed any postsecondary coursework outside the U.S. (including its territories) or Canada must also submit their transcripts through CAS. (This service is included in the LSAC CAS subscription fee.) This service is not required if an applicant completed foreign work through a study abroad program, consortium, or exchange program by a U.S. or Canadian institution.

Letters of Recommendation: UC Hastings requires that you submit only two letters of recommendation with your LSAC Account Number directly to Law School Admission Council for inclusion in your CAS report. Please note that additional letters of recommendation will not be accepted. Your letters of recommendation should be from individuals familiar with your academic work, though we will accept letters from employers or others who can comment knowledgeably on your skills, talents, and accomplishments relevant to the study of law.

Admissions Application: The application has three pages that all applicants must complete. Please be sure to answer all mandatory questions and either sign and date or certify the application electronically. UC Hastings communicates with applicants by e-mail; you must provide a current e-mail address to receive notifications and status information.

- Please use your name and LSAC number rather than your social security number to identify any attachments to your application.
- Please **double-check the accuracy of your address, telephone number, and e-mail address**, all of which are required. To avoid missing critical communications, please make sure mail from uchastings.edu will not be caught in your ISP's spam filter. Also, throughout the admissions season it is critical to send any address or e-mail changes to admiss@uchastings.edu.
- **Resume:** Applicants must submit a one to two page résumé reflecting education, employment, and relevant activities in an electronic attachment.

(Continued)

- **Personal Statement:** There is no limit as to the length of the required personal statement, but it will be evaluated for clarity, content, and skill of presentation. While there is no required topic, it is to your advantage to convey information and views that you feel are important and that you believe should be weighed in the consideration of your application for admission. Personal statements should be electronically attached.

You must answer all four of the character questions on the bottom half of the second page of the application. A “yes” answer does not disqualify you from admission, but an explanation must be provided for each “yes” answer. Additionally, if you answer “yes” to the last three questions in this section, you should consult the rules and regulations of the Committee of Bar Examiners of the State in which you wish to practice the law to determine if there is anything that may affect your eligibility for admission to the bar.

Early Commitment Option: To be eligible for early commitment you must have taken the LSAT on or before the October test administration and submitted your application by November 15; your application must be complete by December 1. Check the appropriate box on the third page of the application. This is a binding admissions process: if you are accepted by December 15, you will have until January 15 to make your admission deposit; doing so requires you to withdraw applications from all other law schools. If you do not receive an early offer, your file will be considered with all other applications.

LEOP Applicants: This supplemental application is solely for those who wish to be considered through the Legal Education Opportunity Program (LEOP). LEOP applicants must answer all pertinent questions on the LEOP supplemental application. LEOP applicants may choose to include information about the adversity they faced and its impact on their academic preparation in their personal statement *or* provide a second essay for this purpose. In addition, to the extent that other information will help the evaluation of your claim about significant adversity, please provide it. (For instance, diagnostic reports concerning disabilities and accommodations should be submitted.)

Notification of Status: You will receive an e-mail acknowledgement when the Admissions Office receives your application. Please note that the Admissions Office cannot in any circumstances release decisions over the telephone. The Admissions Office will make every effort to notify all candidates by the end of May. All admissions decisions are final.

Financial Aid: If you are applying for financial aid, you must complete the Financial Aid Supplement form, found in the Financial Aid section of the UC Hastings website, as well as the FAFSA. You should complete these forms between January 1 and March 1 for priority financial aid consideration. (If you have not submitted your financial aid materials by March 1, it is to your advantage to do so as soon as possible.) You can print the Financial Aid Supplement form from the website, then complete and mail it to UC Hastings. You can fill out the FAFSA electronically by going to <http://www.fafsa.ed.gov/>. Be sure to include UC Hastings' Title IV school code: G03947.

Be sure to include your LSAC account number on all materials and communications submitted on behalf of your application.
