-

Please indicate when you plan to use work-study (you may select both options):

Do you plan to use work-study in June 2003? Yes No

Do you plan to use work-study in July, August, and/or during the 2003-2004 academic year? Yes No

Did you receive financial aid during 2002-2003? Yes No

DID YOU KNOW:

Work-study allotments are part of your 2003-04 academic year financial aid package. Using your work-study in the summer will decrease the amount of financial aid available to you during the academic year. This should not cause a significant hardship provided you carefully budget your academic year financial aid.

I understand how summer work-study impacts my academic year financial aid.
