

Lost Classmates

Do you know where your classmates are? As time passes and alumni move, get married and change jobs, we sometimes lose track of them. Please help us locate your missing colleagues so we can tell them about your upcoming reunion. Or if you happen to be one of them – we'd love to hear from you!

If you know the whereabouts of any of the alumni listed below, please contact us at updates@uchastings.edu. Any information will be helpful. Thank you and we hope to see you at reunion!
