

BUSINESS & TRANSACTIONAL COURSE OFFERINGS
UC HASTINGS COLLEGE OF THE LAW

This is a partial list of transactional courses available at UC Hastings. Students are encouraged to also consult the course catalog for additional courses relevant to transactional law. The term “transactional law” includes overlapping areas of practice that focus on (1) assisting a variety of clients with business transactions, (2) assisting clients with entity governance, and (3) other prospective advising in connection with business initiatives prior to the emergence of disputes. Other terms that are frequently used to describe this area of legal practice are business or corporate law.
