I. RECORDS OFFICE: GRADUATION REQUIREMENTS

Clear All Academic Holds

Check WebAdvisor for any "holds" on your academic record. All holds must be **cleared by May 9, 2018**. Academic holds **prevent** the Records Office from **certifying** your degree to the state bar. Certification of your degree is required **before you may sit for the bar exam**.

Taking a Bar Exam in Another State?

If you are planning to take the July Bar exam in any state other than California, please include this information on the Graduate Survey. The Records Office must have this information so that we can get your graduation certification to the appropriate office on time. Email the information (including Bar mailing address) to records@uchastings.edu.

We do NOT need any notice if you are taking the California Bar Exam. We are in constant contact with their Admissions Department about our graduates' Bar applications and have always certified every one of our graduates by their deadline. However, we cannot release your final transcript to them if you have a hold from any department on your record.

II. THE UC HASTINGS ALUMNI COMMUNITY WELCOMES YOU!

Pick Up Your Graduation Gift! Stop by our table at Grad Fair or visit us in 223-200 for information regarding your graduation gift.

Stay in Touch! Please send your updated contact information to updates@uchastings.edu.

Stay Connected! Check out our [alumni event calendar](#) and save the date of **December 7, 2018** for the Swearing-in Ceremony. More details will be listed on our website; invites will go out via email.

Participate in the Student Giving Campaign! You choose where your gift goes -- a student org, scholarship, HPILF, etc. A gift of any size makes a difference AND it will be matched dollar for dollar by gifts from alumni, faculty, staff and friends. [Donate online](#), stop by one of our tables at Grad Fair or come to our office to fill out a donation form. Contribute towards something you care about! Donors to the Student Giving Campaign will be recognized at the April 5th Leadership Awards Ceremony.

III. PRO BONO GRADUATION RECOGNITION

Pro Bono Society: Students who have completed at least 45 hours of approved pro bono services will be recognized as members of the pro bono society.

Outstanding Achievement in Pro Bono: Students who have completed at least 150 hours will be recognized for outstanding achievement in pro bono.

If you have provided pro bono services but have not submitted verified timesheets, it is not too late! For those of you who still have hours to complete to qualify for graduation recognition, there are still volunteer opportunities available.

Pro Bono timesheets must be approved by a supervising attorney or student coordinator of the organization or group with whom the services were performed. Timesheets may be submitted to the Externships and Pro Bono Programs office, 100 McAllister St., Rm 350, or emailed as a pdf to jacksoja@uchastings.edu. **Due Date for your name to be included in the graduation program is April 2, no exceptions.** If you have outstanding pro bono hours from prior semesters which have not yet been submitted, these too may be submitted prior to the April 2 deadline.

IV. CAREER OFFICE

Please complete the employment section of the electronic graduation survey.

The first question helps us know where you are in the process of putting together what we are confident will be a brilliant career. Please answer it precisely.

The drop down options are wordy. Why?

- Most importantly, the specificity of the drop down options helps us help you. We have a dedicated career counselor – Gabriel Bellman, the Associate Director for the Graduate Class – who uses this information to create lists to push career advice and job opportunities to you.
- Also, it helps us be precise and accurate when we report data the ABA requires us to collect. We work hard to ensure your information is correctly categorized in the ABA categories. When we report this data, we do so anonymously and confidentially– your name and your employer's name is not used; it is kept confidential. Your salary is only reported in the aggregate. We use the data to compile summary reports.

The contact information enables us to push information out to you and we share that, and your activities here, with the Alumni Office so we can include you in UC Hastings events that will give you opportunities to increase your professional contacts.

If you are currently job hunting or expect to be job hunting after taking the bar exam, please connect with Gabriel Bellman before you graduate. If you connect with him, he can better direct resources your way and keep you in mind for opportunities. Gabriel has drop-ins on Fridays from 10:00 to 12:00, and you can schedule a time any day with him. To schedule time a 45 minute session, [click here](#) and select the “3L and Recent Grad” appointment. You can also email him directly at bellmang@uchastings.edu if your schedule doesn't work with any of his available times.

Thank you for your time and help. We look forward to continuing to support you and staying in touch.

V. LOCKERS

If you are using a locker, please remove all your belongings by **Friday May 11, 2018**. If you will be studying for the Bar Exam in the San Francisco area, you may request to use a locker for the summer until **Monday, July 30, 2018**. Make your request for a summer locker [here](#).

VI. EMAIL ACCOUNTS

UC Hastings email accounts are lifetime accounts. If you have any questions, please contact IT at helpdesk@uchastings.edu.

VII. FINANCIAL AID OFFICE

Federal Unsubsidized/Grad-PLUS Loan Online Exit Counseling

Students who borrowed a Federal Unsubsidized and/or Graduate PLUS Loan for attendance at UC Hastings are required to complete the Unsubsidized/Graduate PLUS Loan Exit Counseling. *May 2018 grads must complete this requirement by **April 15, 2018** to avoid a hold being placed on their academic records.* [Click here](#) to complete this requirement online.

Bar Study Loan Availability

Loans are available for graduates who are studying for the Bar. These alternative/commercial loans can cover bar study, exam and living expenses. You do not need to be on financial aid to receive one.

For example, certain fees related to bar study may be added to a 3L student's cost of attendance. As a result, students may request an additional \$1,500 in Federal Graduate PLUS funds to offset these fees. Please visit the Financial Aid Office and complete an Action Request Form to ask for an increase in Cost of Attendance and additional Graduate PLUS funds. The deadline for the 2017-18 academic year is April 15, 2018. Additionally, some lenders

offer bar study loans. [Learn more](#) about these loans and how to apply.

UC Hastings Public Interest Career Assistance Program (PICAP)

The UC Hastings Public Interest Career Assistance Program (PICAP) is designed to aid and encourage UC Hastings graduates working in public interest organizations or government agencies by assisting with repayment of qualifying, outstanding education loans.

For details, please [click here](#) or contact Yma-Richel Nabong at nabongy@uchastings.edu

Take Steps NOW to Minimize Your Student Loan Payments Later!

It is time to file your 2017 tax returns. Even if you made very little (or no) money in 2017 and are not required to file a tax return, you should consider filing 2017 taxes, if you:

- Are borrowing Federal loans for law school, and
- Are planning on taking advantage of Income Driven Repayment (IDR)* plans (and the Federal Public Service Loan Forgiveness Program and our Public Interest Career Assistance Program – PICAP) to lower your monthly loan payments.

Having a 2017 Tax Return on file **could make applying for IDR much simpler for you**. (Also, if you are owed a tax withholding refund, you will need to file taxes to receive the refund!). Free tax assistance is available to students through the VITA Program (February 13, 27) (March 13, 20, 27) (April 3, 10) in the Louis B. Mayer Lounge 5:00-7:00 p.m. [Learn more](#) about how to file your Federal Taxes for FREE (and your income is less below \$62,000).

VIII. STUDENT HEALTH SERVICES

A. Medical and Counseling Appointments, Prescription Refills and Medical Records

Last Day for Medical and Counseling Appointments at SHS: May 9, 2018

Prescription Refills: Ensure you have enough refills of your ongoing medications so that you may continue your prescriptions until you have a new doctor. **There will be no one in Student Health to write prescriptions after May 9, 2018.**

Medical Records: Students who anticipate needing medical records from Hastings Student Health Services should request them before leaving school. If you have had any injury, acute illness, or chronic illness, it's a good idea to keep a copy of your records. You can either keep your own records until you find a new physician or have them sent directly to your MD. Women may want to have a record of their annual exams to give to their next physician. **If you would like a copy of your medical records, complete a [Release of Information form](#)**

and return it to SHS. Medical records are kept for nine years after graduation. After nine years, all records are destroyed.

B. Student Health Insurance (UC SHIP) Information

Medical Care until Insurance Termination, Short Term Health Insurance, and Certificate of Prior Health Insurance Coverage

If you are currently insured under the UC SHIP plan, your **coverage ends at 11:59 p.m. on 8/7/2018 for Spring graduates.** You may self-refer to be seen by a physician over the summer while SHS is closed.

In order to find an Anthem Blue Cross PPO provider within **California** please select the following prompts on the [network website](#):

- Under “Search as a Guest,” click on “Search by Selecting a Plan or Network”
- Under “What type of care are you searching for?” select “Medical”
- Select California for the State
- Under “Select a plan/network,” type and then select “UCSHIP”

While traveling in the United States, you will pay less out-of-pocket for care when you use a Blue Cross network provider. You can locate a Blue Cross network provider in any state on the [Anthem website](#). UC SHIP benefit levels are the same throughout the United States.

Benefits provided abroad are coordinated by [BlueCard Worldwide \(pdf\)](#). To find a BlueCard Worldwide provider, go to the [BlueCard Worldwide website](#) and enter "XDP" as your Alpha Prefix.

COBRA coverage is **not** available for student insurance. However, students who are enrolled in UC SHIP may opt to continue the policy for a maximum of one semester after graduation. Please refer to the [Graduating Students](#) page for the most current UC SHIP pricing and enrollment information.

- SHS **strongly encourages** all students, regardless of age or health status, to arrange for some sort of short term policy. UC Hastings does not endorse any specific policies. Here are some options for you to consider:
- The [UC SHIP](#) office is an excellent source of information for health insurance resources after graduation.
- [Covered California](#) is California’s Health Exchange Program under the Affordable Care Act. You’ll find reasonable, and depending on your income, subsidized health insurance plan information here.
- To enroll in UC SHIP for one semester after graduation, students must mail a completed voluntary enrollment form and payment directly to Wells Fargo Insurance Services. Students must currently be enrolled in UC SHIP in order to be eligible to enroll in the UC SHIP continuation plan. The [voluntary enrollment form](#) is available on the SHS forms page. Please note that you have 30 days after your termination date of **August 7, 2018** to voluntarily enroll. The cost for coverage as a UC

Hastings graduate is different than the cost for an enrolled student

- SHS offers case management services if you need assistance with this process. Please call 415.565.4612 to make an appointment with Susan Au, Case Manager.

IX. LIBRARY SERVICES

You can check on the status of your library account [online](#) or at the 4th floor Library Circulation Desk. You need to return any borrowed materials to the library and pay any outstanding fines before Friday, May 11, 2018. Students will be notified following graduation of any library materials still in their possession. If the materials are not returned or the replacement cost paid within 30 days of notification, a hold will be placed on the student's law school record.

The UC Hastings Library remains open during the summer. Summer library hours will be posted [here](#).

- UC Hastings Alumni are welcome to use the Law Library whenever it is open. After showing appropriate ID, you will be issued a visitor pass.
- UC Hastings Alumni may join the Law Library’s Unaffiliated Borrowers Program, which allows you to check out circulating materials in the Library’s collection. Membership in the program is free for the first year after graduation. [Learn more.](#)
- The Library subscribes to numerous research databases. Graduating 3Ls can use these databases on or off-campus until August 31. After that date, you can use these databases while on-campus.
- The Library has a substantial collection of [bar prep materials](#).
- If you have any questions about library services, contact the reference librarians at libref@uchastings.edu or 415-565-4751.

Moral Character Application: The application is available [online](#). There is no deadline, but this application must be completed and approved by the Bar before you are sworn in

to the California State Bar. The Bar's website states that the Moral Character Application will be processed in a minimum of 180 days. Don't miss out on a job because you failed to get this application completed. If you use faculty members for recommendations or references, please inform them.

Fingerprinting: The California State Bar now requires the date of your fingerprinting to be **within ninety (90) days** prior to the filing date of your Moral Character Application. Register for the Multistate Professional Responsibility Examination (MPRE)

CA Bar Exam candidates must pass the MPRE before they are admitted to practice. CA requires a score of 86 or higher. Information about the MPRE is available [here](#).

2018 Test Dates	Regular Reg. Deadline Fee: \$95	Late Reg. Deadline Fee: \$190

Registering with the State Bar: All bar exam applicants must register with the California State Bar. This is a general registration process separate from the registration process for taking the bar exam. Most students register with the California State Bar during the 1L year. [Click here](#) for more information on registering with the State Bar.

Hotel reservations during the bar exam: Bar exam applicants should read the special rate hotel information provided by the State Bar if they plan on staying in a hotel during the exam. Although staying in a hotel is an additional expense, students may consider the option if they want to avoid commuting to the test site or if they need a quiet place to rest during the exam lunch break or the night after the first test day. Reserving a room early, before the hotels fill up, is advisable.

Additional Information: [Click here](#) for the most up to date information on the **Schedule of Charges and Deadlines**, the **Examination Administration Rules and Policies**, and the **State Bar's Policy to Permit Headwear Due to Religious Beliefs**.

Each lecture is followed by a review test and a separate review and skills lecture taught by Chris Fromm. Students will also have access to an online bank, as part of the course materials, to practice questions in each of the subjects. The online module is FREE to UC Hastings students. The two books associated with the program cost \$125. You do not need to purchase the books in order to use the online module. Summer Bar Support: B.E.S.T. is Hastings' free supplement to the commercial bar review courses. B.E.S.T. consists of two parts: **(1) Group Sessions and (2) Individual Tutoring.** At each group session, you will have the opportunity to review a California Bar Exam essay subject, to write a bar exam essay answer under timed conditions, and to then debrief the essay question as a group. During the individual tutoring sessions, you will meet with a tutor to review a bar exam essay answer that you submitted to the tutor before the tutoring session. During the tutoring sessions you will also learn strategies and techniques for improving your writing. Students who are studying outside of the Bay Area can work with a tutor over the phone, via Skype, or by email. B.E.S.T. runs from early June through mid-July, concluding before the bar exam. A more detailed description of the program and instructions on how to sign up for B.E.S.T. will be posted shortly.

Faculty and Alumni Mentors: The College is organizing both faculty and alumni mentor programs for the summer after graduation. Mentors are not bar tutors. But our experience is that students appreciate the chance to check in regularly with mentors over the summer who act as coaches and provide practical advice. Some faculty mentors also choose to provide feedback on draft bar essays. If you are interested in either a faculty or alumni mentor, please email Katey Mason (masonk@uchastings.edu).

Adaptibar and BarEssays.com Discounts: Recent grads report success with these supplemental bar prep services. Adaptibar is an online bank of prior MBE questions. The program allows you to test and self-assess by subject. BarEssays.com is a database of scored California Bar Exam essays. After you write a practice essay answer, you can compare your answer with the scored essays. To access the coupon codes for Adaptibar and BarEssays.com, please email Margaret Greer (mgreer@uchastings.edu).

Prior Bar Lectures and Workshops Canvas Page: In addition to the recordings of the Spring 2018 bar programming events, the [Canvas page](#) contains recordings of prior bar subject refresher lectures, videos of the summer 2017 B.E.S.T. group sessions, workshop handouts, and lecture PowerPoint presentations. To access the Prior Bar Lectures and Workshops Canvas page, you will need to enter your UC Hastings username and password.

Campus Resources: You have access to our Library's extensive [California Bar Exam resources](#). The Library's resources include books on reserve, such as *Essay Exam Writing for the California Bar Exam* by Mary Basick and Tina Schindler, flashcards on reserve, such as Critical Pass MBE Flashcards, and free online bar resources.

When will the Honors Luncheon take place?

The Honors Luncheon will take place on **Thursday, April 6, 2018, 12:00-1:00 pm, in the ARC. Faculty, honors-elect students, and Honor Society members only.**

What is the Pre-Ceremony Hooding event?

In lieu of on-stage hooding by UC Hastings faculty volunteers, hooding will take place before the Commencement Ceremony on **Saturday, May 12, from 12:40 – 1:40 pm in the 200 Building.** Faculty will be on hand to hood you for a personalized photo opportunity. Bring your camera to capture this special moment. Graduates are free to invite an alumnus or alumna of their choice, or a family member or friend who has supported them over the last three years, to perform the hooding. The pre-ceremony hooding event is voluntary. Graduates may also elect to simply affix their hoods to their academic attire themselves prior to the ceremony.

What time should graduates arrive at the Bill Graham?

Graduates can enter the hall at 1:30 pm, but **must arrive no later than 2:00pm and proceed to Larkin Hall.** Light snacks will be provided from 1:30 – 2:30 pm on Grove Street.

What time should my guests arrive?

General seating begins at 2:00pm. There is **no reserved seating.** If you requested accommodations for your **guests with disabilities**, the special seating instructions are included with your tickets. **Entry for guests with special seating passes begins at 1:30pm.** There is no special seating after the doors open at 2:00pm. The procession will begin at 2:58pm, so all guests should arrive to be seated no later than 2:50pm. Light snacks will be provided from 1:30 – 2:30 pm on Grove Street.

Will there be a place to leave guests' strollers, walkers, etc. during the event?

Yes, there will be a "Stroller Check" area on the first floor. Strollers, walkers, wheelchairs, etc., that would be in the way during the ceremony may be checked.

The Ceremony

Is there a rehearsal for Commencement?

No, but staff will be present to explain the process, help you dress in the robes and line up, and direct you through the process.

Prior to the processional (walking into the hall), all graduates will line up in two single file lines. You will be seated and cross the stage in the order you line up.

How long is the ceremony? What should I wear?

The ceremony lasts for approximately 2 hours. Graduates should dress lightly as the gowns are very warm. If you wear a suit, remove your coat. Coat racks are provided in the robing area. The dress code for guests is business or business casual attire.

How do I make sure my name will be pronounced correctly at Commencement?

When you pick up your tickets, you will receive your **NAME CARD**, listing your name as it will appear in the Commencement program and the phonetic spelling if you wrote that in the graduate survey. **Carry this name card with you on stage and hand it to the Assistant to the Reader.**

May I walk across the stage with my children?

Yes. If you indicated on the graduate survey that you would like your children to walk across the stage with you, we will email you instructions.

Other Logistics

Where do I go after the ceremony?

Walk out to Grove Street to meet up with your friends and family and take photos with Faculty.

Will I receive a program?

Yes. Programs will be placed on your seat in the auditorium. Extra programs will be available in the lobby after the ceremony.

Will photographs be taken?

UC Hastings has contracted with Best Grad Photos for Commencement day photos. They will send each graduate a private link to access their proofs when they are ready to view. The link is sharable so others can view the proofs as well. Graduates, parents and family can also pre-register on their website at www.bestgradphoto.com. For help placing orders, call 877-688-7427.

Who do I contact with additional questions?

If you have questions, please contact Student Services at 415-565-4773 or studentservices@uchastings.edu.

Congratulations!
