AMENDMENT

to the

UNIVERSITY OF CALIFORNIA

STUDENT HEALTH INSURANCE PLAN (UC SHIP)

PRUDENT BUYER PLAN

BENEFIT BOOKLET

UC HASTINGS COLLEGE OF THE LAW

The provisions of your Benefit Booklet are amended as described herein. All other benefits and provisions of the Benefit Booklet to which this Amendment is attached and made a part of remain in effect. This Amendment is effective August 1st, 2013.

The following is added to section entitled INTRODUCTION TO THE STUDENT HEALTH INSURANCE PLAN:

Students at UC Hastings College of the Law may seek care from off-campus participating providers without a referral when the campus student health and counseling services is closed during the summer and certain other academic break periods. See the student health and counseling services website for business hours of operation.

The PERIODS OF COVERAGE provision, under the section entitled HOW COVERAGE BEGINS AND ENDS – HOW COVERAGE BEGINS, is deleted and replaced by:

PERIODS OF COVERAGE

Item #1 under the sub-section **CONDITIONS OF COVERAGE**, in the section entitled **YOUR MEDICAL BENEFITS**, is deleted and replaced by:

1. For students only. You must obtain written referral from a student health and counseling services provider for all services and supplies. Expenses will not be covered unless based on prior referral by a student health and counseling services provider, except for urgent care or emergency services for a medical or psychiatric emergency. UC Hastings College of the Law students may seek care from off-campus participating providers without a referral when the campus student health and counseling services is closed during the summer and certain academic break periods but must obtain a referral from a primary care participating provider before obtaining services from a specialist.
